GAUTENG JUDGES EDUCATION 2015

ALL JUDGES AND LEARNER JUDGES

"It's all about that base"

The committee of DOGSPC BJSC is getting back to basics. There are so many breed standards which are very alike and so many breeds which are almost the identical but have intrinsic breed type variations which can be very confusing.

We invite you to take part in these interactive presentations which will make use of fundamental research, live specimens and videos and will help you to understand that elusive term **" BREED TYPE".**
