

Introducing Eukanuba's NEW Puppy Owners Guide

Dear Eukanuba Breeder Club Member,

We are proud to introduce the NEW Puppy Guide from Eukanuba, available to our Breeder Club Members, for all your new puppy owners.

The current "puppy kit", as you know it, will be replaced with lovely 32 page Puppy Owners Guide containing essential information on puppy care for new puppy owners.

FREE 1kg starter bag of Eukanuba Puppy & Junior

Inside each Puppy Guide is a voucher for a; FREE, introductory 1kg bag of Eukanuba Puppy & Junior, PLUS a Discount Voucher off their first purchase of Eukanuba Puppy & Junior food for their new puppy.

This will ensure that your pups go to a home where premium nutrition starts them off on the right paw.

What do you need to do next?

Place your order of Puppy Guides with me and have them delivered free of charge to you, with your next order of Eukanuba for the pups and their mum.

Remind your New Puppy Owner about the benefits of feeding Eukanuba, the importance of love, exercise, the best nutrition & veterinary care.

Don't forget to tell your new owners about the 1kg FREE bag of Eukanuba Puppy & Junior available, and the additional discount voucher upon presentation of the vouchers at their nearest Vet outlet!

For further information, please contact me. I'm here to assist you.

P.S. Remind your new puppy owner that on a cost per day & month comparison, Eukanuba Puppy & Junior is most likely the most cost effective option for his puppy feeding and with 70% of our top show dogs in SA feeding Eukanuba - the nutrition speaks for itself.

Eukanuba Puppy & Junior:

- ✓ High quality animal protein
- ✓ High levels of fish oils, a source of DHA, an Omega-3 fatty acid for smarter, more trainable puppies
- ✓ A blend of antioxidants to boost puppy's immune system
- ✓ Highly digestible and nutrient dense
- ✓ Less calcium and phosphorus in the large breed formula for safe bone development
- ✓ Higher energy content in the small breed formula
- ✓ No artificial colours, flavourants or preservatives
